Andrews University
Comparison Institutions
For 2012 onward

Comparison institutions were selected from an initial list of 60 private Doctoral Research Universities and Great Lakes region institutions that offer masters degrees, and selected Seventh-day Adventist institutions, all of similar size. The list was trimmed by eliminating those institutions with
- No doctoral degree programs
- Less than 10% of undergraduates are full-time, first-time degree/certificate seeking
- 25th percentile averages over 500 on SAT critical thinking & math and over 22 on the ACT composite; or no reported averages for SAT or ACT
